We thank our sponsors, Wales Archery Specialists for their continued support of this event. I hope that you all took advantage of their being here.

Comments

There is no doubt that it was an interesting weekend. The rain and the wind on Saturday can only be described as terrible! Even so, only one archer retired voluntarily. Sunday was only a little bit better, less wind but several heavy showers. Once again the shoot was completed in good humour and very few retirements. This is really quite amazing and puts many "adult" shoots to shame. Overall, the perseverance and the behaviour of the archers are to be strongly commended. Very well done!

Congratulations to the archers who (subject to ratification) set new National records. They are listed among the results

My thanks to all who assisted with the event including the staff at NSC Lilleshall, the National Tournaments Work Party, the National Junior Committee and the Judges. A particular word of thanks to all the parents and friends who drove, fed and watered the archers and generally kept them going. We are also very grateful for those of you who recorded the scores for the archers.

Thank you to our Lord Patron, the GNAS President Tom Williamson.

We look forward to seeing you at the Junior National Indoor Championships on Saturday 6th/Sunday 7th December 2008, in Wenlock Hall at Lilleshall. The entry form is on the GNAS web site.
